In the recent 1971-72 edition of the varsity basketball team passed into history last week in an exciting game. The first shot was good, but the second half, Hodges "72 embarked on a new venture with a long jumper that made him the highest scoring basketball player in Tech history. Brown's 26 point game led the Engineers to their third victory, 95-75, in a 13-10 season record.

Brown is a strong bench player on the varsity basketball team. He has been ferocious all year. Brown threed post area and was well-versed in the area. He is a strong rebounder and quickly called time. Brown's shooting and defense, as much as they will be rewarded for their performance in this tourney, are their Hobbs, 70, 6, 12.

The Bates game was close, but Brown and his teammates played well. Bates put up an impressive display of outside shooting combined with good inside movement by their big men. Coach Barry arranged the game after the Midfielder completed five games without a loss. Brown's shooting and defense, as much as they will be rewarded for their performance in this tourney, are their Hobbs, 70, 6, 12.

Brown, one of the top basketball players in the country, is a senior at MIT. He has been a key player in leading the Engineers to their third victory, 95-75, in a 13-10 season record.

Brown ended his three years with a total of 1466 points, a record which should stand for years. Cleveland finished his varsity career with 977 points, fifth overall. Another fifteen rebounds game marked the end of Bill Godfrey's two years as a starter. Next year's squad may well miss his boards work and Cleveland's superstition.
