The Equivalent Of 7 Hiroshima A-Bombs Are Being Dropped On Indochina Each And Every Month

And that's after six years of protest!

Explosives equal to 420 Hiroshima A-bombs have already been dropped on Vietnam.

Millions of men, women and children have been killed, maimed or left homeless as a result of the bombing.

—and this is what President Nixon calls a policy of "great restraint"?

He tells us he is winding down the war — and then says that unless North Vietnam accepts his terms, there will be no reduction of the bombing. (As a matter of fact, there will probably be a further escalation.)

"Those who have had a chance for four years and could not produce peace, should not be given another chance," Nixon, October 9, 1968.

On this October 9th, it will be four years. Can our conscience stand the guilt of another four years of this kind of immorality under Richard Nixon?

What are the justifications we are given for this wasting of Vietnam and its people? To protect the people of South Vietnam from communism? To maintain democracy?

The regime we are defending suspends elections, muzzles the press, jails and tortures its political opponents. The people we are supposed to be saving are being systematically killed.

To the survivors, our fight to contain communism in Southeast Asia (at the same time that we are making business deals with communist countries) can only be viewed as hypocritical fanaticism, indistinguishable from that which we have sworn to oppose.

Even as the bombing and killing have been escalated, most Americans appear to have tuned out on what's happening in Indochina. The Nixon Administration is counting on the American conscience to care only about U.S. casualties, not about the lives of Vietnamese.

Do we really not care about the people we kill?

Americans will not always be able to ignore the consequences of our actions. We will be asked: How could it happen? Where were you? What did you do?

☐ Just protest is not enough.

☐ Voting your conscience is not enough.

Your dollars are crucial. Your dollars can stop the killing. Make it possible for George McGovern to awaken the people before November 7.

President McGovern would end the war.

People of conscience must make this final sacrifice: contribute your utmost!

This is our last chance to make a difference.

Dear Senator McGovern:

I too feel compelled to do my utmost to end the war in Vietnam — and I know that requires the sacrificial giving of dollars to help you awaken every American. Enclosed is my contribution of $25 (or the closest to that figure I can manage).

Peace.
