Letters to The Tech

Open meetings: a good idea?

From: Paul E. Gray

Questions or express viewpoints concerning the Institute tuition policy a public forum. I will open the meeting with a brief presentation concerning recent tuition history, comparisons with the cost of education at MIT, with academic program costs, with tuition at other institutions, and with changes in the cost of living and medical expenses. Several colleagues will be present to join in the discussion.

From: Student Financial Aid Office

An open meeting is intended to provide an opportunity for a discussion of the facts behind tuition increases, and to give those who would like to raise questions or express viewpoints concerning the Institute tuition policy a public forum. I will open the meeting with a brief presentation concerning recent tuition history, comparisons with the cost of education at MIT, with academic program costs, with tuition at other institutions, and with changes in the cost of living and medical expenses. Several colleagues will be present to join in the discussion.
