I

Atomics International Division is then reliably perform a series of core compartment transfer ports. Able core, in-vessel storage locations, and a core component during operations. The will need three of the IVHM. The for fast breeder fuel elements and to be used in the Fast Flux Test Facility (FFTF) in Washington state.

Inches per second with a resolution of 100 ppm, each IVHM will be 31 feet high inducting system featuring a pressure in- um, with a maximum six-foot diameter.

Facility (FFTF) in Washington state. The flameless reaction of ozone with oxide meter sensitive to 1 ppm. It PORATION is producing a nitrous describes significantly by employing cigarettes and is expected to be re-}

duced for space vehicles. The developed for space vehicles. The pocket-size two-way radio using micro-electronic technology de-

veloped for space vehicles. The single frequency and a two watt speaker's and antennas. radio service. Accessories include bat-

tery chargers, multiple tone, external speakers/microphones and antennas.

The smallest unit, at 18 quarts, has a single frequency and a two watt output powered by a 250 mah battery. HEWLETT-PACKARD has announ-
ced a standalone pulse generator to test modern higher-speed logic cir-

cuits. Features include repetition rates to 100 MHz, variable transition time, variable output, and a variety of output formats and operating modes.

holding a non-linearity of transition slopes below 2%, the device matches extender instruments in measuring pro-

duction delay and in testing wide-}

band linear amplifiers. Pulse trans-

mission times may be varied from two to 250 microsec. It is externally

regulated.

PACKING SUPPLIES

- Kraft Sheet 40 x 48 ... $2.00
- Sea Tape ... $2.00 and 49c
- Brown Paper Rolls 25" x 36" long ... 80c
- Polished India Twine ... $1.75
- Polished White Twine ... 85c
- Packing Sealing Tape ... 95c
- Packaging Tape ... 100 c
- Scotch Strapping Tape, 1/2" x 360 ... 79c
- Poly Bag Sealing ... 2/$1.75
- Jute Ball String ... 39c
- Luggage Tags ... 49c and 75c
- Coop Box 13 x 18 x 34 (4 oz.) ... $11.65
- Corrugated Cartons 18 x 14 x 12 ... 85c ea. 3/$1.50
- Maxifold Reinforced Cartons ... 95c ea. 2/$1.75
- Locks ... 95c to 85.99

TRUNKS

(located in men's furnishings dept.)

- Footlockers, 30 x 21 x 12 ... $15.99 to 19.99
- Steam Trunk, 36 x 21 x 12 ... $26.99
- Trunk, 36 x 21 x 12 ... $41.99
- Oversees Trunk, 40 x 22 x 23 ... $41.99

Everything you need to box, wrap, label, tie, and ship your precious belongings is in the Coop stationary department.
