Class day 1973 to be held Saturday

The Tech junior eight (really seven) practices on windy river with 210lb. coxswain

By Fred Batchelor

Put seven people from the staff of The Tech, an eight man crew, in the tank, raise the coxswain together and what do you get? The Tech's junior eight minus Charles Vidic. Tom, although a sophomore, is very enthusiastic. We knew that wasn't very large. Consequently, Coach Mike McNamee told us what we were doing wrong, (after all, we were trying to follow Barb's cadence), and he was watching.)

"We ain't even back to the dock until you don't like the thought of swimming in the Charles at any time of the year," McNamee said. "As we parted company on Saturday, Nov. 10
