The MIT Auto Club will have a car show on Tuesday, November 27th, at 12 noon in 4-149. The film not only shows scenes from Moliere's plays, but also how the 17th-century French theatre was organized and operated. It will be shown on Tuesday, November 13th at 7:30pm in the Mezzanine Lounge of the Student Center.

On the 300th anniversary of the death of Moliere, the 17th-century French comic playwright, and prior to a French company's performance of L'Avare in Concord on December 2nd, the Department of Foreign Literatures is showing the French movie classic Portrait de Moliere, directed by Jean-Louis Barrault and starring Jean Marais. The film opens tomorrow at 6:30pm. The film was organized and operated by the MIT Auto Club. Admission to the film is free.

**Columbia Cassettes Don't Self-Destruct!**

Columbia cassettes are made to stay alive for a long time. In fact, they're the only fail-safe cassettes we know of. We have low noise/high output gamma-feric oxide tape. And thanks to a 20-20,000 Hz frequency range, what you hear is what you get.

We use oversized Mylar slip sheets, impregnated with graphite. So there's no friction. Then the tape is guided along Delrin rollers, mounted in metal pins. You can't find a more sure-footed cassette.

And to top it off, each cassette comes with two extra self-sticking recording labels, an index and a bonus coupon. That gives you one free C-60 cassette after you've bought 11.

Our cassettes are something special. We'll call them fail-safe. You'll call them fantastic.

**Tech poll shows support for impeachment**

(Continued from page 1)

One Burton House resident said Nixon should be "thrown out of office before he does more damage." He added that Nixon should be "thrown out of office before he does more damage."

The economy crisis is the only area covered by the poll's question. MIT students were asked if the economy is in crisis. Some students expressed a feeling, however, that the actions taken by the President are "too little and too late."

**UMOC results**

Phil Mendel leads the field at the first day of the first day of collections for the APO UGent on Campus Competition, with $42.19. The competition, held annually, raises funds to be used for charity. This year the recipient is CARE.

Solid last among regular candidates was The Tech candidate Paul R. Schrader Jr., with $18.54. Count UMOC was a close second, with $41.81. Nick Danger collected $31.98 for the first day.

Highest written total was tallied for Richard M. Nixon, who got $6.24.
