Women's b-ball routs BU

By Glenn Brownstein

The MIT women's basketball team rolled to its second straight win, crushing Boston University, 62-24. The 62 points tied the single game scoring record for the Engineers.

From the beginning of the game it was clear that this would be as MIT night. After a tight first four minutes, the Engineers ran off a 13-4 burst to close the quarter with a 19-6 lead.

In the second period the combination of Roggenkamp's outside shooting and the ball handling of Ginny Conger '77 proved too much for BU, as the two outscored the Terriers 12-4 for a 31-13 halftime advantage.

BU attempted to play a gam bling and running catch-up style in the third quarter, but was blown off the court by a dazzling defense led by captain Bev Herbert '75, Lisa Jablonski '77, and Lynn Richardson '76, and by the scoring of Conger and Jean Pendleton '76. In the entire period the Terriers managed only one basket to the Engineers' 22 points.

BU held MIT even in the first 10 minutes of the game, but MIT's domination of the court went into overdrive after the first quarter. MIT had a 27-8 lead. But MIT stormed back, sweeping the individual medal, and the butterfly. Dan Benhochten '75 and Tom Jacon '76 winning three bouts and a decision in the finals. At the Greater Bos ton's, he won the 177 pound class. During a dual meet earlier in the season, Tavormina pinned his opponent to score half of the team points. At the Greater Bos ton's, he won the 177 pound class, with a 6-4 win in the final round.

Joe Scire took over at 142 pounds when Captain Rich Hartman '74 became ill in the middle of the season. Hartman has since returned to wrestle in the 150 pound class, while Scire was proven himself a tough competitor, with a 5-1 record that includes four superior decisions.

Wrestlers place 2nd

The MIT wrestling team placed second in the Greater Boston Wrestling Tournament, with 69 points against Boston University's 83 points. Now in its house stretch, the team boasts a 9-4 record.

Leading the team throughout the season has been team captain Ed "The Cobb" Hanley '74. Hanley raised his dual meet record to 1-5 with three wins last weekend during a quadrangular meet with Brooklyn College, CW Post, and Central Connecticut. Hanley's 15 wins include five pins and four superior decisions, earning a total of 64 team points. At the Greater Bos ton's Hanley won the 126 pound class with a pin in the semi-finals and a decision in the finals.

The last two seasons have also been successful for Ed Hanley. As a sophomore he posted a 14-3-1, and last year he im proved that to 15-3, and placed third in the New England Tour nament at 134 pounds.

Heavy weight Erland Von Luthe de Jode '76 has steadily improved as a wrestler over the course of the season. In his last three dual meets during the Greater Bos ton's, he scored 20 points.

Women's fencing wins

The MIT women's fencing team met success in defeating Brown University's women's team at home meet last Saturday. The two teams appeared even, matched throughout, with Williams taking first round, when the score was 2-2.

The fencers, however, began to pull ahead during the second round, and at the end of the third round were leading by two bouts. Losing only one bout in the fourth round, the final round, the MIT women's fencers won a commanding score of ten bouts to six.

The MIT team was led by their team manager, Angela Chas ney '76 who won all four of her bouts. Next was Patrice Desvigne '75 who won the 177 pound class. During a dual meet earlier in the season, Tavormina pinned his opponent to score half of the team points. At the Greater Bos ton's, he won the 177 pound class, with a 6-4 win in the final round.
