TWA BRINGS BACK DEMAND SCHEDULED SERVICE.

Some airlines may be cutting services. But at TWA we're cutting prices.

Thanks to our new Demand Scheduled Service, which starts July 8, you can fly to California for up to 37% less than the regular Coach fare.

And here's all you have to do.

At least 60 days before you want to leave for Los Angeles or San Francisco you must reserve a seat for the day you want to go.

Give us a twenty dollar deposit. $40 if you're going round trip.

(Refundable only if you cancel more than 90 days before departure.) And the balance at least 45 days before your departure date.

Then relax.

A month before you're ready to leave, TWA will mail you your ticket plus all the flight information.

If you want, you can even charge your trip on your TWA Getaway Card or on any other major credit card.

Now you should know you may have to stop or make connections. And you can't stay over en route.

But you should also know that the plane you'll be traveling on will be a regularly scheduled TWA jet.

Not a charter flight.

And on meal flights, you'll get a meal and beverage. Plus a movie at a small charge on move flights.

What's more, you'll be able to stay in California for as short as a day. Or as long as a year. Because there are no minimum or maximum stay restrictions.

In other words, you'll be getting all the services a regular Coach passenger gets. Only you'll be getting them for a lot less.

Needless to say, in times like these an offer like this is going to be booked pretty quick. And we only have a limited number of daily seats available for this service.

Once they're booked, that's it.

So call your Travel Agent now. Or TWA at 742-8800.
