The locations of sprinkler heads and test novel induction pipe

are just there to identify

the building in the area; the

courtyard in some way.

Questions about plans to change

ever, say that there are no plans

for drivers of mowers and fertilizers. The stakes will be

zero-spreaders. The stakes will be

for drivers of mowers and fertilizers.

Over one hundred little stakes

like this have suddenly appeared

in the lawns around the Dreyfus

Building (Bldg 18), prompting

on the lawns around the Dreyfus

Building (Bldg 18), prompting

Physical Plant groundsmen, how-

zer-spreaders. The stakes will be

for drivers of mowers and fertilizers.
