Police Blotter

Police Blotter is a compilation prepared by Campus Patrol to report crimes occurring in the MIT community.

The Campus Patrol has been busy during the summer protecting the property and attempting to keep the larceny amount to a few percent.

There have been 130 vehicles stolen from the campus and immediate area up to the present time. This was the total number of vehicles stolen from the area during the entire year of 1973. We are again requesting your help in eliminating the opportunity to steal your vehicle by locking your vehicle and not leaving exposed clothing in the car.
