Commentary:

By David Gordon Wilson

In the United States, industrial life no longer deals with economic issues or labor negotiations. The world of organized labor is a distant memory, and most Americans know little about its history or its role in shaping the country. Yet the strike, a powerful tool in labor relations, remains an important aspect of American society.

Externcalities of strikes

Wealth transfers are a common phenomenon in strikes, and they can have significant effects on the economy. In the long run, the cost of a strike is not just the wages lost by the workers but also the reduced output of the company. This can have a ripple effect on other businesses, as they may not have the resources to continue operating.

Letters to the Tech

By Barbara Mac

The strike of the longshoremen in the United States is a classic example of how externalities can affect the economy. As the workers went on strike, the cost of goods increased, and the consumer had to pay for the higher prices.

Mr. Turner's decision to withdraw his name from consideration for Assistant Dean of Student Affairs for financial reasons is a testament to the importance of balancing one's personal and professional goals. While he may have been disappointed, his decision was ultimately the right one.

Temporary Dean

By David Gordon Wilson

The appointment of Ms. Eisenberg as Temporary Dean is a welcome development for the Institute. Under her leadership, the MIT community can expect to see a strong focus on the needs of black students. While there are challenges to be faced, such as a significant economic gap between black and white students, the work of Ms. Eisenberg and her team will be crucial in addressing these issues.

By Raphael Ray

The strike of the longshoremen is a reminder of the power of collective action in labor relations. It is a testament to the importance of the union in protecting the rights of workers and ensuring fair treatment.

By Bernard Robinson

The appointment of Ms. Eisenberg as Temporary Dean is a significant step forward for the Institute. Her experience and leadership will be instrumental in addressing the needs of black students and ensuring a fair and inclusive environment for all.

By John Smith

The appointment of Ms. Eisenberg as Temporary Dean is a timely and necessary decision. With her experience and leadership, she will be able to address the challenges facing the Institute, particularly those related to financial aid and student affairs.

BSU v. DSA over temporary dean
