The fresh-senior tandem is the first in fourteen years to win a home meet.

earlier that same day, LCA picked up its fourth straight win with a 24-0 decision over FIJI. Dave Wilson '73 was outstanding, scoring two of LCA's three touchdowns, one of them a 50-yard pass from John Czwolosky '6 on the second play of the game and the other in the second quarter on a diving catch in the end zone.

The third touchdown was scored by Arthur Roselli '75 as Czwolosky threw him a twenty-yard pass on a curl in.

Chris Perley '77 was also outstanding as a reeve, catching several passes, including a forty-yarder in the first half. The first six points were scored by kicking specialist Mark Aikbourn '74 who place-kicked three extra points and a field goal, the second of MIT's IM football history (he kicked the first one two weeks ago).

Defensively, John Johnson '74 and Jim Ogletre '76 each intercepted a pass, while Bwxter Jones '76 intercepted two, one of which put an end to an FIJI scoring threat.

LCA's offensive linemen were very effective, opening up holes and holding back FIJI's rush, especially center John Jansm.

Defensively, Mark Penta '77 and Brian Harrington showed the expertise they succeeded several times in sacking Kirk Blanck '76, the FIJI quarterback.

Blanck, however, did a good job. LCA's strong rush. FIJI did get several good drives going, with ends Bill Kellner '77 and Steve Moyers '76 and full back Howie Simmons '76 all contributing to the effort. Defensively, Steve Macaulay '77 intercepted two passes and his brother, Vinco, one.

The success of the football season so far is due to the hard work of Mike Cucchissi '75 and to the several referees who come out each weekend to arbitrate games after game. Representative of these volunteers are the A league referees Cucchissi, Pepe Portocarero '75, Randy Freytor, and Paul Lagan '78 who make sure order is preserved in these highly emotional games.

MIT's men's varsity, women's varsity, and freshman sailing teams all competed last weekend, winning no events but placing reasonably high in most of the week's regattas.

On Monday, MIT placed third in the Oberg Trophy Regatta, a three-divisional meet sailed by the greater Boston area schools. MIT and Harvard tied for second, but the Crimson were awarded second on the basis of a tie-breaker. The skippers and
