NOTES

* Nominations for the Goodwin Medal are now being accepted by the Dean of the Graduate School. Please submit the names of any candidates to Dean Lewis W. Slater, Room 2-516 before March 15, 1975. Nominations may be made by any student of faculty member and submitted through the Head of the nominee's department, the Undergraduate Association, or the Graduate Student Council. The Goodwin Medal is awarded in recognition of conspicuously effective teaching by a graduate student who is either a Teaching Assistant or an Instructor. Further information may be obtained by calling extension 3-4869.

* The Number Six Club is a cord fraternity temporarily displaced in Cambridge. We will be returning to our, long-occupied quarters on Memorial Drive between Burton and Massachusetts Aves. in August or early September. The new house will house 48 people. Because the membership of the Club will be increasing from our reduced numbers we are initiating a Spring Rush. This is to balance the claims for next year. Anyone living in a dorm of off-campus is invited to come meet us. We will sponsor a number of activities to talk with interested people. This first will be a dinner at the temporary home of the Club, 36 Irving St., Cambridge, on Saturday, March 1 at 6:30 p.m. A shuttle will transport people from 77 Mass Ave. back to the Club around 9 and 10. We hope to see all interested at dinner. For more information call 4-9833.

* The MIT Community Service Fund and the Quarterly Comedy Club is sponsoring an annual fund raising lottery in which the first two winners will receive free vacations in either Spain or Turkey in May. Lottery tickets are 5 each or three for $2. They will be sold on campus by students and trustees of the Community Service Fund daily, 11:30 to 1:30 pm, as well as in the lobbies of Buildings 7, 10, E19, Walker and outside Lobdell dining room beginning Wednesday, March 12 throughout Friday, March 14. The winning tickets will be drawn at 3:30 pm. Saturday, March 15 at the MIT Employees' Open House reception in the Sala de Puerto Rico. All proceeds from the ticket sales will go to the MIT Community Service Fund.

* In conjunction with its lottery for two free vacations, the MIT Community Service Fund (CSF) is seeking a catchy phrase that will make the purpose of the Fund more readily understandable by the Institute community and to generate interest. CSF is offering twenty five chances to the lottery to the person who composes the most suitable phrase as judged by the CSF Committee. There will be no admission charge.

* The MIT Community Service Fund daily will offer a half-ounce gold bar to the winner of a monthly drawing of CSF slogans. The CSF slogan phrase may be directly to the MIT Community Service Fund, room 5-208.
