Montgomery
picked by UA
to play concert
By Margaret Brandeau
The James Montgomery Blues Band has been selected by the Undergraduate Association to play at the Kaleidoscope concert April 25, according to UA Vice President Jim Moody '75.

The annual spring concert, to be held in Rockwell Cage, will feature unlicensed free beer. "We're going to try to have four and a half hours of solid music," said Moody. The event, he said, "will be a combination beer blast-concert-party."

The UA will pay the band $2,500, and plans to spend a total of $3,000 on the concert. Moody said that the UA hopes to sell 10,000 tickets for the concert at $3 each to break even.

Over the past three years, the UA has lost a total of $13,000 on the concert, "but money is no object," said Moody, "We just can't afford to keep up this kind of loss."

Last year the UA lost $6,000 on the Aerosmith concert held at Kaleidoscope Weekend. In order to sell tickets, Moody said that the UA may have a ticket contest, with a prize going to whoever sells the most tickets. However, this did not work very well last year, he added, because "some people get over anxious and sold tickets to anyone." At Cambridge high school students.

Other events slated for Kaleidoscope weekend, April 25-27, are the Institute Screw Contest, car smashing, silk screening and pottery making, a tricycle race, and a beer drinking contest. LSC doscope weekend, April 25-27, is for faculty who call her no later than Monday, June 2, 1975. The Faculty Committee of the Political Science Department, will be held at 3:30pm Wednesday, May 2, at 10 to 1, or 2 to 3 in duPont Athletic Center Locker Room 26-100, at 7pm.

Unlike other bass-reflex designs, Ohm D loudspeakers provide deep, powerful bass response without a trace of annoying "boom." Combine them with a high quality stereo receiver like the Nikko 4030, and you have the makings of a really fine music system. The Nikko receiver offers ample power, noise-free FM reception, and full component flexibility. For your records, Tech HiFi includes the no-nonsense Glenburn 215SA automatic turntable with bi-directional, viscous damped manual cueing. A bass, doubcouver and a factory installed Shure M75E magnetic cartridge are included. You'd be foolish to pass up the low price of only $409 for this excellent music system (you save $156).
