By Gerald Radack  
The General Assembly of the Undergraduate Association will be held for the first time in five years as part of an attempt by the UA leadership to increase student participation. UA President Phil Moore ’77 said he is considering the possibili-

ties of new groups to inform

Food supply hopeful

(Continued from page 1)  
Secretary of State Henry Kissinger at the World Food Conference last year, now heads the UA leadership to increase stu-
dent internships in Boston area

tive units. Call Mike, 241-7488 (keep delivery, 30 day exchange on defec-
tive cards. Full warranty; one

off on most brands. All cartons with

1541 Stereo Equipment

for sale, 25-50% off.

domestic deals. Current

work is focused on food and fer-
tilizer production and distribu-
tion, post-harvest losses, “food

planning” for specific nations, and alterations in the appraisal

process for ongoing projects.

In terms of American policy in

this area, Martin feels, that a

commitment to equitable dis-

tribution of food resources is es-

sential, and that a higher

priority should be given to max-

imum output and aid than to

agricultural exports. “Invest-

ment in free nutrition is as impor-

tant as food education,” he con-

cluded.
