If the Bottle Bill passes, beer and mixer prices will go up. Way up.
If you don’t believe us, ask somebody who goes to school in Vermont.
They’ll tell you that under their similar law, beer went up $1.80 a case.

Some of that is a deposit they get back — provided no one breaks a bottle, mashes a can, or loses either one.
But a full 60¢ of that $1.80 is a non-returnable handling charge.
Look, if the Bottle Bill were a recycling measure, if it even encouraged recycling, the higher costs might not be hard to take.
But it doesn’t.
If you really study the Bottle Bill, you’ll never let it pass.
