Okine and Egan pace runners' victory

By Dave Dobos

Powered by aggressive running and overall outstanding efforts in the field events, the MIT indoor track team gained vengeance on highly-rated Brandeis Saturday afternoon in Rockwell Cage. In the three-team meet, the Engineers piled up 68 points, Brandeis tallied 58, and Worcester Poly trailed with 14.

Rich Okine '77 and co-captain Joe Egza '77 were the leading Engineer figures in the double victory. The win over Brandeis averted the 15-point heart-breaking loss to the Judges last December.

Okine took up where he left off last year, capturing the 50-yard dash and the 45-yard high hurdles in 5.7 and 6.0 seconds, respecti-

ively. Both are excellent times, just a hair off of the Eastern hurdles champ's personal bests. Egan was sensational, thrilling the Cage fans by upsetting Brandeis' Bob Downs in the 600-yard run and later returning as anchor man in the mile relay to breeze past his Brandeis foe, pudi-

ting MIT's winning margin. It was his run in the 600 that ac-

spired his teammates to put on their best performances.

MIT head coach Gordon Kelly praised the win saying, "It was truly a team ef-

fort please him, but also the man-

ner in which his athletes com-

peted. "It was truly a team ef-

fort," observed the coach. Every Engineer chipped displayed the utmost effort and determination in his event. The runners put it on the line early and made their opponents fight for every point. The field event competitions estab-

lished personal bests or bettered 1975-76 team marks in four of six events.

Steve Sifferlen '79 highlighted the field event performances. His winning 509' effort in the 35-1b. weight throw beat his previous best by more than a foot. Team-

mate Fred Bunke '78 trailed Siffer-

len by a mere seven inches in the weight throw and recorded a personal best of his own in the shot put, a fine 45'1/2.

Pole vaulters Jim Williams '77 tied his personal indoor mark of 13'5" in capturing the event. Fol-

low vaulter Ed Ingenito '79 did likewise at 13'8" for second place.
