Despite injuries to three of the four starting members, the MIT women’s varsity fencing team (9-4 overall Trinity 14-2 on Saturday) has been the relative good health of the squad’s members. Only one player, co-captain Joe Egan ’77 has sustained any events.

This Saturday, MIT competes in the Eastern Championships at Tufts.

Most World professional are aware that today’s most advanced large-systems technology was developed by a company that, not too long ago, was virtually unknown. It was in late 1973 that Amdahl delivered its first multime-
