Police Blotter

(The Police Blotter is a report written by the Campus Patrol on crimes, incidents, and actions on the MIT campus each week.)

Wallet Thefts

A brown wallet containing ID's and personal papers was taken from a backpack in Rotch Library on Wednesday afternoon when the owner left the pack unattended for a few minutes while looking for books.

A tan wallet containing a small amount of money was removed from a backpack left unattended next to a door in Building 20C. Members of the Institute are warned to protect property at all times on the Institute's property.

Thefts

As a result of a complaint of a resident of Bexley Hall the Campus Patrol recovered a brown wallet containing ID's and personal papers was taken leaving a room unattended. Most persons reporting losses involving handbags have left a room for only a few minutes.

Attempted theft

A passer-by reported the attempted larceny of a bicycle from a rack at the Herman Building. The youths departed with haste prior to the arrival of the Campus Patrol, leaving the tools of the trade, a pair of pliers, at the scene of the attempted larceny.

Suspicious person

As the result of a complaint of a resident of Bexley Hall the Campus Patrol encountered an uninvited guest wandering in the halls. The subject was questioned, checked and warned to continue his practice on the property of the Institute.

No previous warnings on record prevented an arrest. Members of the community are requested to keep the Campus Patrol informed of any suspicious persons in the vicinity.

Bicycle recovered

The Campus Patrol recovered a bicycle left by a fleeing thief in front of Building 9. The subject was discovered in the process of stealing the bike. The property is being held pending transfer to the proper owner. Description: three-speed English-Sturmey-Archer — color: Copper-red.
