There will be a 9:30 A.M. R/O booth in the Student Center outside the R/O center. The 9:30-10 A.M. is a place to sit down, relax, and talk to people who have the time and interest in trying to get to know people. We're located in Private Dining Room number 2 on the third floor of the Student Center, and we have a place where we can go to talk. We'll be open from 10-18 for the rest of the week. Drop by. We'd be glad to see you.

Contact: page 19 of the Undergraduate Residence book for addresses, phone numbers, and full names of living groups. The baggage center will be closed from 11:30-12:30 while permanent dorm assignments are given out.

The DEC PDP-11 computer used in 6-031 will be open for use for the rest of the R/O week. If you have never used a computer before, this is your chance to play with games on the Adventure, Star Trek and Jolt IV. If you don't wish to try programming, we have, alas, done and data. Stop by room 3-354 and get an account from Clark Baker some afternoon this week.
