There will be a Women's R/O booth in the Student Center outside the R/O center.

The DELPHI computer (used in 6.03) will be open for use for the rest of R/O Week. If you have never used a computer before, this is your chance to play such games as Adventure, Star Trek and Jotto. If you wish to try programming, we have basic, Algol and some Pascal. Stop by room 38-354 and get an account from Clark Baker some afternoon this week.

The Uni-Rush is a place to sit down, relax, and talk to people who have the time (and aren't trying to get live with them). We're located in Private Dining Room number 2 on the third floor of the Student Center. Our presence is 5-3000, if you want to call us. We will be open from 9-11 for the rest of the week. Drop by, we'd be glad to see you.
