Sailors settle for 4th in shortened regatta

By Audrey Greenhill

The MIT sailing teams continued to finish well in major regattas last weekend. In the Danmark Trophy at Coast Guard and the A-division IM football games such as this one between powerhouses SAE and LCA will not be held this year because of lack of interest; other features of MIT's 'A' League IM football team. Although several teams really want to enter an 'A' League, it is most unfortunate that MIT has more men's teams competing in NASCIA than any other school. In addition, however, MIT has a very extensive women's athletic program.

By Helen Miyasaki

Most students know that MIT has more men's teams competing in NASCIA than any other school. In addition, however, MIT has a very extensive women's athletic program. With the rapidly increasing interest in athletics among MIT women, the program has expanded to include ten varsity sports and three club sports. This year there is now a full-time women's athletics growing sports
