on energy . . .

1. Insulate your attic for the winter.
2. Congression Energy Tips:
   - Start a carpool. Double up with a friend.
   - Make use of solar energy.
   - Save electricity. Use your fireplace.

---

on Carter . . .

Wait, let he who is without sin cast the first stone.

You pampered probies of the press.
You hating nabobs of negativity.
You effete corps of impudent snobs who...
