Notes

- There will be a meeting of the 1978 R.O.C. Committee Wed., Feb. 8 at 8:30pm in Room 5-225. If you have suggestions or would like to help with R.O.C. please join us or call Barry Newman (212) 336-9161.

- During the past 20 years, Operation Crossroads, Africa, a non-profit, non-governmental volunteer community development organization, has sent over 5000 American students and faculty to 25 English- and French-speaking African countries during the summer to live and work in rural village communities, joining with them in various self-help projects that involve building schools and health clinics, agriculture, music, art, archaeology, health education, journalism and media, community development and organization. Crossroads work-study travel programs serve as a check for making a concrete contribution to community development in Africa and at the same time, a rare opportunity for cross-cultural communication and personal growth. Applications are due Feb. 15. For more information, contact Crossroads Africa, Inc., 150 5th Ave., NYC, NY 10011 (Phone (212) 924-8500).

- V.I.A. Orientation Lecture for Sophomores interested in entering the T.E.L.C., C.S., Dept., Feb. 10 at 3:00pm in 26-100. Students currently on the Program and V.I.A. Faculty Advisors will be available for discussion.

- Undergraduates are encouraged to write personal essays or brief commentaries to be considered for inclusion in the 1978 Freshman Handbook. Any type of manuscript submitted to the Class of '72 Material submitted as soon as possible will be greatly appreciated.

- Landlords are required to supply heat to all apartments within the Commonwealth of Massachusetts, effective Oct. 1st. Under the contract, it specifies that the temperature shall be kept at 70° F at 10:00am and 6:00pm and at least 60 degrees between the hours of 11:00pm and 7:00am.

- A vegetarian potluck dinner will be held on Sunday, Feb. 12 at 6:00pm. Call Bill at 212-715-1000, Doug at 212-741-2010, or Ann at 212-681-4900 for further information.

- The New York City Urban Fellows Program offers training, internships and employment in city government, special surveys, social services and graduate students. Applications are due by Feb. 15. For details write to Dominic Cusumano, Director, New York City Urban Fellows Program, 284 Broadway, 11th floor, N.Y., N.Y. 10013.

- The department of biology has added an ecology laboratory, Experimental Zoology (3.02), for the first term next fall. Experimental Zoology (7.00) has been cut back, and Experimental Microbial Genetics (7.01) will be offered as scheduled.
