class officer candidates

Roger Demarre
The Sophomore class president is responsible for the entire operation of the Junior Prom Committee. As class president, I plan to ensure that all of our class events are successful and enjoyable for everyone who attends.

Barbara Johnston
This year, the Sophomore Class officers will be working on many important projects. We will be working closely with the Junior Prom Committee to make sure that our class events are a success.

Robert Firester
I am running for class Treasurer, and I plan to use my experience to make sure that our class activities are funded properly.

Lori Ultman
As Vice-President of the Sophomore Class, I will be responsible for making sure that all of our class events are well-organized and successful.

Andy Ubel
I am running for Secretary-Treasurer, and I plan to use my experience in engineering to help our class events run smoothly.

Wendy Myerson
I am running for Student Body President, and I believe that I can help our class events be successful.

Rhonda Peck
This year, the Sophomore Class will be working on many important projects. We will be working closely with the Junior Prom Committee to make sure that our class events are a success.

Nancy Bushton
I am running for Secretary, and I believe that I can help our class events be successful.

Jenny Ford
Next year, our class will be working on many important projects. We will be working closely with the Junior Prom Committee to make sure that our class events are a success.

Robert Firester
I am running for class Treasurer, and I plan to use my experience in engineering to help our class events run smoothly.

John Bisogno
I am running for Secretary, and I believe that I can help our class events be successful.

Resolution

1. Resolved, that the recent recommendations of the Ad Hoc Committee on Grading Policy be rejected.

2. Resolved, that a new framework should be set up to make student representatives on faculty-student committees more accountable to the student body at large, and that a formal consultation mechanism should be implemented between students and representatives.
