Parents shouldn’t suffer.

With the New York Times on strike, many parents around the country are suffering from withdrawal. They are reading anything they can get their hands on — cereal boxes, beer cans, even Reader’s Digest! Wouldn’t you like to put your parents out of their misery? Give them a subscription to literature which will equal the Times any day — The Tech. Won’t they prefer Gordon Haff to R. W. Apple? Send in the coupon today and end their blues.

Molson. That’s Canada.

From a country as clean and unspoiled as Canada, you’d expect a very special taste. Fresh from North America’s most experienced brewery, Molson has been making friends on both sides of the border since 1786.

Our three import brands are ready to show you just how great Canada can taste. Make it the heartiness of Molson Ale, spirited Canadian Beer, or smooth Golden. Or all three.

Register for MIT Student Art Association classes in:
