Happy Pens
by Sheaffer®
What a way to write. Refillable pens in your choice of
cheerful designs.
For example:
• Plump red strawberries
• Black and white
musical notes
• Vivid rainbow stripes
• Classical nautical pictorials
• Exotic jungle flowers
• Soft spring blossoms
Available as a ballpoint
or rolling ball pen.
$3.98

Australia
round trip:
$641!

ELECTRICAL ENGINEERING
AND COMPUTER
SCIENCE STUDENTS
Industrial Nuclear Corporation, a leader in the field of computer based infor-
amation and management information systems for basic manufacturing pro-
cesses, will be interviewing on campus Friday, March 2, 1979.
We are seeking BS & MS Graduates with degrees in Electrical Engineering and
Computer Science. Opportunities are available nationwide in field systems
engineering as well as control engineering. Software development and software
applications programming at our World Headquarters in Columbus, Ohio.

For more information, see our company literature in the Placement Office,
then sign up, we would like to talk with you.

An Equal Opportunity Employer, M/F/D.

Qantas introduces
new Bear Minimum Fare
from San Francisco
to Sydney.
Fly Down Under in April, May,
or June and return between July 1 and
July 15 or anytime in September and the
fare is down to just $441!
And if you return in October or
November, the fare goes down to a low,
low $315!

Get you fly on our
Boeing 747-100 — the biggest jets on the
run.
As you would expect, there are a
few requirements: Seat availability
and travel dates are limited. Prices vary
by season, you must make
reservations and purchase tickets 45 days
in advance.

And 25% of the fare is non-
refundable if you cancel
within 45 days of departure.
Call us at 956-4263 for details. Better yet,
bear down on your Travel Agent.
Free! Brochures about "in" and
inexpensive places to stay and ways to see
Australia. Mail the coupon down under.
