Next time you're in Mexico, stop by and visit the Cuervo factory in Tequila.

Since 1795 we've welcomed our guests with our best.

A traditional taste of Cuervo Gold.

Visitors to Cuervo have always been greeted in a special way.

They're met at the gates and invited inside to experience the unique taste of Cuervo Gold.

This is the way we've said "welcome" for more than 180 years. And it is as traditional as Cuervo Gold itself.

For this dedication to tradition is what makes Cuervo Gold truly special. "Heat, on the rocks, with a splash of soda, in a perfect Sunrise or Margarita, Cuervo Gold will bring you back to a time when quality ruled the world.

Cuervo, The Gold standard since 1795.
