Careers and Technology at Intel

The Microelectronics Revolution—and how you can be part of it.

See us on campus October 25 & 26

Think for a minute about what microelectronics technology has already achieved. Yet we are still in the infancy of the microelectronics revolution. And no company is doing more to speed it into Intel.

CHOOSE YOUR AREA OF INVOLVEMENT.

We're an acknowledged leader in four major product areas: semiconductor memories and microprocessors, and microcomputer systems and memory systems. Plus we're extending our leadership into data-base management.

Our success has created a wide variety of career opportunities in engineering, technical marketing, administration and planning, and finance.

FOUR GREAT LOCATIONS.

We've built our facilities where the quality of life is high, because only in such places can we attract the highly skilled, highly motivated people we need. That's why we can offer you
