Nun awarded Nobel peace prize — The Nobel Committee has awarded Mother Theresa, a nun in Calcutta, India, the 1979 Nobel Peace Prize. According to the committee, Mother Theresa was awarded the prize because of her care for the sick and dying of Calcutta and her work toward the improvement of life for the poor and orphaned in India. She plans to use the money — the equivalent of $100,000 — to build homes for the destitute, especially the lepers.

Nation

House campaign spending limited — The House of Representatives voted 217 to 198 to place strict limits on campaign contributions to House races by special interest groups. Said Democratic leader Jim Wright of Texas, "A seat in the House of Representatives shouldn't be like a seat on the New York Stock Exchange — up for sale to the highest bidder."

Tons of marijuana found — Eight to ten tons of Columbian ("purple") marijuana has been found aboard a four-engine DC-7 cargo plane abandoned at Pueblo Memoriah Airport in Colorado. The Pueblo airport was closed when the large turboprop plane landed in the darkness. Anyone wishing to claim the plane should contact the Department of the Treasury.

Space

Space shuttle problems delay Jupiter probe — Problems in developing the space shuttle have forced a two-year postponement of the 1982 Galileo mission to orbit and study the atmosphere of Jupiter, according to National Aeronautics and Space Administration spokesmen. Engineers have encountered many problems in developing the shuttle engines and in installing insulation tiles to protect the vehicle from the intense heat of re-entry into the atmosphere.

Men more reluctant to seek help

(Continued from page 4)

They said labeled sexual harassment cases successfully in the past. Rove also indicated that there were many other sources of aid as well. Besides those already mentioned, he gave us examples of the religious councilors, House members of the special interest groups, the Deans, department administrators, the Special Assistant for Minority Affairs, the Graduate School Office and various special interest groups, like the Association of Women Students.

A further aid will be provided by the Ad-Hoc Faculty-Student Committee on Sex Harassment, which has started its meetings. Professor of Electrical Engineering and Computer Science Peter Elias, chairman, said that his committee will evaluate present policies, recommend new policies and provide "a formal exploitation of Institute policy." He added that the committee will also explore "means to provide information to the faculty and students" on these policies.

Maserati Merak or Lamborghini Silhouette?

If you know... you probably know St. Pauli Girl Beer.

People who know the difference in fine things know the difference between imported beer and St. Pauli Girl, the superb imported German beer. "Girl" fanciers favor St. Pauli Girl with its delicious, full-bodied flavor and sparkle. Many have even discovered St. Pauli Girl Dark with its hearty and distinctive German richness.

Maserati. If its "Flying Buttefly" rear-quarter treatment doesn't tip you (silhouette has air scoops!) Ms. Liberty should have. Factory Lamborghinis are no longer imported. Bufts have to spend small fortunes to make them "U.S. legal!"
