Water polo takes two in tourney

(Continued from page 12)
Coach John Benedick has seen a marked increase in the team’s desire to win during the past week. “I’ve never seen the team play this well,” he remarked after Saturday’s victories. He is very pleased with the players’ surge in spirit as well as their aggressive, heads-up play. “They want to go to the Easterns — to do that we have to beat Yale.” But,” he added, “we have to play twice as hard to beat Yale.” He also feels that this Wednesday’s game against URI will be a good test of the Engineers’ progress. If they play with the savvy and skill that they have displayed in their past three games, they will be very tough to beat.
