support and stability. Quadex is an autonomous subsidiary of Compugraphic Corp.

Software Engineers

You will work with project leaders in the development of mini/microcomputer systems. Quadex offers many technically attractive projects. Typical applications are text processing on video display terminals and file processing on large disk storage devices. A computer science (or equivalent) degree or more years of minicomputer experience is required.

Quadex representatives will be on campus November 27th. at the office of Career Planning and Placement, room 12-170, from 9 A.M. to 5 P.M. Interviews should be scheduled in advance at your placement office.

Quadex Corporation, 241 Binney Street, Cambridge, MA 02142 (617) 492-4800 X236.
