MIT has been invited to nominate
students for Summer Intern posi-
tions in the Federal Summer
Intern Program. The Federal Summer Intern Program was developed to give
students practical experience in
some phase of federal activity
related to their individual career
fields. About two-thirds of these
summer intern positions will be
located in the Washington, DC
metropolitan area, and the
remainder distributed throughout
the country. Weekly salaries
range from $193.20 to $396.40
depending upon the grade level
of the position offered.

The MIT Office of Career Plan-
ing and Placement encourages in-
terested students who will have
completed their sophomore year
by June 1980 and who are US
citizens to take advantage of this
opportunity. For further informa-
tion and applications, see Trista
Murphy at 12-179 between the
hours of 9am and 3pm. Application
must be submitted to the
Placement Office by Feb. 26,
1980.

"The US and the Third World in
the Post-Vietnam Era" Wed,
Feb. 27, at 8pm. Tickets are
available for $3 from Ticketon
and Brandes University Student
Service Bureau. For more info,
call 647-5197.

Graduate Students: Applications
for advanced degrees in June 1980
must be returned to the
Registrar's Office, 199-335, no
c later than Friday, February 22,
1980.

now planning a variety of events
this Spring including an in-
sider's tour of the campus
and dormitory renovations.

EXCELLENT LIFESTYLE

International Harvester operations are located in
cities like San Diego, Fort Wayne, Louisville,
Moline, and the Chicago suburbs. You get the
best of both worlds: urban culture and amenities
and the countryside but a short drive away. Or, if
you want total cosmopolitan excitement, IH World
Headquarters is on the "Magnificent Mile" of
Michigan Avenue, in Chicago.

CHALLENGING ASSIGNMENT

The new IH is on the march. Technological ad-
vancement, design leadership, marketing impact
and management efficiency are major targets.
You'll be challenged from the start to stretch your
mind, present ideas, reach for breakthroughs.

STIMULATING ENVIRONMENT

The new IH atmosphere is dynamic. The latest
state of the art is sought for.
