IF YOU MISSED

1957

If you missed 1957 you missed the Russians launching Sputnik. If you missed 1957 you missed the Russians launching Sputnik. If you missed 1957 you missed the Russians launching Sputnik.

Though you missed the beginning, you haven't missed the future. Talent, enthusiasm and hard work can take you as far today as it did in 1957. Maybe even farther. Today, with the vast resources of our parent company, Schlumberger Limited, Fairchild is committed to technological leadership and innovation. And while we're pioneering new technologies, we are also creating new career enrichment and employee benefit programs.

Fairchild has exciting career openings on both the West and East Coasts.

We'll be on campus in the next week or so and would like to talk to you about the future. Yours and ours. Visit your placement center for the time and place. It's an opportunity you won't want to miss.
