in Harvard Square at 7:30pm.

MIT Hillel would like to an-
ounce that plans are underway
for this year's Passover cele-
vance. A community seder will be
sponsored each of the first two
nights, March 31 and April 1, in
cooperation with Congregation
Beth Shalom of Cambridge. The
cost of the seder will be $12 (for
students) per seder. Financial as-
sistance is available. Reservations
must be made at the Hillel office
by March 24, accompanied by
payment. For details, contact Hillel
at 3-2982. Meals for Passover will be available by prior
reservation at the MIT Hillel
Kosher Kitchen. These reserva-
tions may also be made at the Hillel
office. Finally, Hillel will mount
an arranging home hospitality for
the first nights of Passover. If you
would like to be placed in a home,
or if you have a home and would
like to invite student guests, con-
tact the Hillel office.

The UA Finance Board is sponsoring an
Activity Management Workshop
or

"How to get money from FinBoard"

All student activity treasurers are urged to
attend this important meeting concerning how
to make budget requests for the 1980-
1981 school year.

Monday, March 17, at 7:30pm in
Room 400 to the Student Center.

Cider and doughnuts will be served.

**IF YOU MISSED 1957.**

If you missed 1957 you missed the Russians launching Sput-
nik 1 into earth orbit. You missed seeing a young singer
continue his rise to the top of the record industry with a song
called Jailhouse Rock. You missed the ballyhooed introduc-
tion of a car called Edsel. And you missed the birth of an
industry when a group of talented young engineers and
scientists formed the nucleus of Fairchild’s
semiconductor operations.

Though you missed the beginning, you haven’t missed the future. Tal-
et, enthusiasm and hard work
can take you as far today as it did
in 1957. Maybe even farther. Today,
with the vast resources of our parent company,
Schlumberger Limited, Fairchild is committed to
technological leadership and innovation. And while we’re
pioneering new technologies, we are also creating
career enrichment and em-
ployee benefit programs.

Fairchild has exciting career openings on
both the West and East Coasts.
We’ll be on campus in the next
week or so and would like to talk
to you about the future. Yours
and ours. Visit your placement center for the time and
place. It’s an opportunity you won’t want to miss.

**YOU WONT WANT TO MISS NEXT WEEK.**

---

This text contains information about various events, workshops, and activities taking place at MIT, including discussions on peace priorities, a dance-concert benefit for a technology children's center, and a series of dialogues on various topics. It also promotes a travel service offering discounted airfares for trips to Israel and Europe, and an activity management workshop for student treasurers. Additionally, it references the history of the Fairchild semiconductor industry and encourages students to visit their placement centers for career opportunities. The text is structured in a news-like format with dates, times, and locations clearly stated for each event.
