SECRETARY-TREASURER

NANCY DOUGLAS

My proposal is to schedule many small and large-scale class parties to let us interact. Furthermore, we can unite the class of '84 by giving them social activities very early in the year before they become isolated.

I'll be more than your active member on the ring committee; I'll give us the chance to develop a true identity. I am eager and willing to be your vice-president, urge you to compare all the candidates — you'll see that I'm not just another pretty face.

The most significant of these, at least in our sophomore year, are class unity and fund-raising for class activities. The most significant of these, at least in our sophomore year, will be the selection of our ring. I'd like to try and help change it. The responsibilities of a sophomore class officer includes the selection of our ring and I feel that previous experience as an officer in high school organizations will be an asset. I want to see the class of '83 off to a good start.

The executive committee is the decision-making committee for class issues. They deal with the class ring design and other student concerns that are class issues. It is important that all class members feel they have input to these decisions. If elected I will keep in touch with the needs and interests of my constituency so that my input to the committee is representative of the issues that the class of 1983 considers relevant.

Thank you for your support.

THE OFFICE OF EXECUTIVE COMMITTEE IS IMPORTANT BECAUSE IT WORKS WITH THE OTHER CLASS OFFICES TO HELP GUIDE AND MENTOR THE Class. THE MOST SIGNIFICANT OF THESE, AT LEAST IN OUR SOPHOMORE YEAR, WILL BE THE SELECTION OF OUR RING. I WOULD LIKE TO SEE OUR RING DESIGN AND FUND-RAISING FOR CLASS ACTIVITIES.
