SIPB move to be decided within

a few weeks

(Continued from page 1)

William Dickson, director of

Physical Plant, said that any deci-

dion on the move is about six

weeks away. He noted that he

wasn't very well acquainted with

the issue, but that he would be

briefing himself in the next few

weeks. Dickson stated that a

group is studying Building 39 to

see if it is easily adaptable for the

IC facility. If the report is

favorable, a decision will be made

to where SIPB will be

relocated.
