Forum
isn’t Osiris
(Continued from page 4)
provide meaningful exchanges of 
odas. Full representation is probably a commodity better 
reserves for much larger groups like the GSA or OSA.
provide the need for further understanding and cooperation 
the major constituents of the MIT community is clear. The 
the panel will find the structure needed to 
establish a regular, open discussion forum built on a spirit 
meetings. Such a group will provide a tremendous 
the exchange of investment ideas and 
the Committee on Student Rights and Cooperation.

Peter G. Balbus ’81 
Moderator Emeritus

The Dean’s office has an-
ounced openings for two 
Graduate Resident/Tutor 
positions going on. As a young en-
gineer, I feel fortunate to have 
the opportunity to get right 
into them.

Software Engineer,
BS in Management Science
“I’m taking advantage of Harris’ 
100% educational benefits 
for graduate programs—going 
for my Master’s in Business 
Administration. I’m where I 
want to be—growing with a 
growing company.”

Senior Engineer,
BS in Math, BSEE, MSEE
“It’s one thing to have a lot of 
exciting high technology proj-
et's going on. As a young en-
gineer, I feel fortunate to have 
the opportunity to get right 
into them.”

CHEDIANE PASTRIES
SAT. & SUN. only
11:30AM - 2:00 PM
Everything I tasted there was excellent, and 
several dishes had that real clarity of flavor that 
first attracted us to Szechuan food, and that we 
haven’t noticed as much in recent years.”
Robert Kennedy - The New Yorker June 28 1980

LUNCH BUFFET
$2.95 ALL YOU CAN EAT
460 Mass. Ave., Cambridge
876-6299

Smiles is New England’s first teeth cleaning company. We’ve 
made it easy, affordable and enjoyable to get your teeth pro-
fessionally cleaned.

When you visit Smiles, you see a hygienist who is specially 
trained to clean your teeth carefully and thoroughly. Of 
course, a dental cleaning is available if you wish a full (but optional) 
consultation.

Smiles, 817
That’s all it costs for a single cleaning. Or you can select an 
annual prevention plan of several visits and save even more.
Come in today—and give yourself a beautiful smile.

THE TEETH CLEANING COMPANY
857 Mass. Ave., Cambridge (between Harvard and Central Square)
B.A. Brown D.D.S., Cambridge Dental Associates

The Harris Corporation.
A billion dollar leader in sophisti-
cated communication and information 
processing equipment and systems. 
With more than 23,000 people in over 
three dozen facilities worldwide.

Harris Government Systems Group
Designers and producers of high 
technology electronic systems. From 
a space deployable antenna to anti-jam 
modems. From a Kremlin-to-White 
House hotline to fiber optic digital video 
transmission systems.

Where these two professionals, 
and many more, are contributing their 
imaginative, on-target ideas. Prolonging 
their knowledge to innovate and improve 
technologies. Changing the face of the 
communications industry.

If your background is in Electrical, 
Mechanical, Chemical or Industrial En-
gineering, Computer Science, Physics 
or Math—there’s a place for your mind 
right here.

If you’re unable to schedule a 
campus interview, send your resume in 
confidence to: Dick Lengler, Harris 
Government Systems Group Opera-
tions, P.O. Box 37, Melbourne, Florida 
32901.

THE MINDS BEHIND THE PROGRESS.
