The following fellowships are being awarded by the American Association of University Women:

**Dissertation Fellowships:** Approximately 30 fellowships are available for women who will be completing all course requirements and examinations for the doctorate except the dissertation by January 2, 1981 and whose degree will be awarded by the end of the fellowship year. Applicants must be citizens of the United States or hold permanent resident status. The period of award is the 12 months beginning July 1, 1980; stipends range from $3,500-$5,100; the deadline is December 15, 1979.

**Postdoctoral Fellowships:** For postdoctoral research for women who hold the doctorate at the date of receipt of degree, are limited only by the boundaries of their imagination. Each award is the 12 months beginning December 15, 1980. Stipends to support the study leading to masters or doctoral degree in the mathematical, physical, medical, biological, engineering and social sciences. Eligibility for NSF Graduate Fellowships is limited to individuals who are citizen or nationals of the United States as of the time of application and who have not completed post-baccalaureate study in excess of 12 semester hours. Preapplication forms are available in the Graduate School Office, Room 3-36. Applications must be submitted by Wednesday, Nov. 21. **Postdoctoral Fellowships: Announced October 3, 1980.**

**Funds available immediately, one for next year only. Applications may be submitted at any time.**

**International Fellowships:** Approximately 50 fellowships are awarded for one year’s graduate study at a United States university for women who are citizens of countries other than the United States. (No awards for advanced research in any country other than the United States are available.) Stipends are limited to $3,000-$7,000 for one academic year beginning in September 1981. The deadline is December 15, 1980. (February 1, 1981 for MBA applicants.)

**Applications and Announcements for the 1981 International Fellowships are available immediately, one for next year only. Applications may be submitted at any time.**

There will be a meeting of staff and interested students interested in working on the staff of the MIT Journal of Arts and Letters, at 5 p.m., on Tuesday, October 21, in the Pearson Lounge, 146-309.

Announcements from the University of Pennsylvania:

**Forum: The Forum of World Poverty**

October 27-29, 1980

**Announcements for the 1981 International Fellowships are available immediately, one for next year only. Applications may be submitted at any time.**

**General Dynamics**

At General Dynamics, our people are vital to our success. We see each individual as an asset. And we want to help you grow.

That's why we need people who desire to push beyond their own horizons. People who are willing to demonstrate their initiative...people who are limited only by the boundaries of their imagination.

**General Dynamics** is the nation's number one defense contractor and a leader in commercial programs as well. We're also a leader when it comes to benefits, salaries, opportunities for advancement, job diversity and mobility, attractive locates, modern manufacturing equipment and facilities, and expanded technological bases.

Our representatives will visit your campus this fall. Be sure to pick up a copy of our brochure at your Placement Office and schedule an interview appointment.

And, plan to attend our Corporate presentation the evening before our on-campus interviews. Details at your Placement Office.
