Why do outstanding systems programmers work in Bellevue, WA?

Microsoft.

Microsoft develops the leading edge in microcomputer systems software. Our BASIC is world renowned. Our new XENIX® OS, the microcomputer adaptation of the UNIX® OS, has computer companies and others chomping at the bit. We design state of the art system software.

And, we need programmers to work on Data Base Systems, FORTRAN, BASIC, COBOL, Pascal, C, Compilers, Graphics, Networks, and many other projects.

Our OEM customer base is a Who's Who of the hardware business (Apple, Radio Shack, Texas Instruments, Intel, Tektronix). As new hardware is developed (8086, Z8000, 89000 microprocessor systems), Microsoft's programmers get their hands on the machines before they go into production. So your hardware suggestions and software innovations during R&D become part of the final product.

Microsoft provides the best systems programming work environment: all the high-level hardware (DEC 2020 and 11/70 development systems) and software development tools you'll need, in a small company with lots of interaction and sharing of ideas and methods, where you can develop your full potential.

The Pacific Northwest is a great environment too: mountains, ocean, desert, rain forest, rivers and lakes all within easy reach.

We are looking for outstanding systems programmers—those with intelligence, drive, and a commitment to excellence. We want programmers who will advance The Standard in microcomputer software.

More information about Microsoft is available at the Placement Center.

We will be on campus Friday, November 21, or application may be made by resume, attention: Mr. Steve Ballmer, Assistant to the President.

*UNIX is a trademark of Bell Laboratories.
XENIX is a trademark of Microsoft.

ATTENTION NEW YORKERS

University Student Services is the only Thanksgiving bus service to New York City, or non-stop to Long Island (Roosevelt Field) and non-stop to Westchester (Cross-Country Shopping Center). Round-trip ticket super affordable ($10 less than Greyhound!)

Purchase tickets, while they last, at the Paradise Cafe, 180 Mass. Ave., or call 421-9794, anytime, for more details.
