**World**

Chinese doctors gaining in limb attachments — Since the development of microsurgery techniques in the early 1960s, Chinese doctors, who exhibited the severed limbs or digits of more than 600 patients. The tricky procedure lasts many hours and often gives their lower technological level — is costing close to an arm and a leg.

**Nation**

Speedy arms talks unlikely — Secretary of Defense-designate Casper W. Weinberger said it would be at least six months before the next set of talks would be ready to resume negotiations with Moscow on a new arms limitation treaty. Weinberger, testifying at Senate confirmation hearings, declined to gauge President Carter's commitment to defend vital U.S. interests in the Persian gulf with military interests should force prove necessary.

**Weather**

According to the National Weather Service, temperatures will be a little above 10 degrees during the early part of the day, winds will be from the northwest at 10-20mph and gusty. The afternoon will be sunny, windy, and cold, with highs in the mid-30s. Winds will increase slightly. Overnite will be clear and cold, dropping to around 10 degrees Friday morning. Partly sunny skies, with a chance of flurries later in the day. Highs in the upper 30's. Over night the skies will be clear with a chance of snow Friday, clearing Saturday, and fair Sunday. Continued cold will continue through to next week.
