| The Difference | Unique opportunity to work in rapidly expanding technical areas with new projects, facilities and equipment |
|               | Recognition of the value of individual accomplishment |
|               | Growth potential based on the individual |
|               | Initial assignments tailored to interests and experience |

Campus Interview Date
February 9, 1981

R. Adm. Robt. K. Geiger, USN (Ret.)
Science Applications, Inc.
Sensor Systems Operation
803 West Broad Street
Falls Church, Virginia 22046
(703) 241-7900
