Imagine yourself putting a satellite's entire communication system on a GaAs chip.

...or creating a thermal imaging system that can see through darkness.

Imagine your team designing a sonar system that can locate any ship in the ocean.

Imagine your group designing a missile system that exceeds human perception.

Imagine yourself at Hughes.

...working on innovations that could change the world.
...taking advantage of Hughes' continuing education program—one of the finest in the country.
...enjoying the Southern California or Tucson lifestyle.

We'll be on campus
