MIT is worthwhile

To the Editor:

There are sacrifices we must make in order to achieve our goals. At MIT, we are committed to excellence in education and research. We are prepared to make the sacrifice of time and effort to achieve our academic goals. We are not afraid to work hard, to push ourselves, and to challenge ourselves. We are dedicated to our studies and to our passions, and we will not allow anything to stand in the way of our success.

There are a lot of sacrifices we must make, but they are all worthwhile. We cannot afford to give up on our dreams, or to allow anything to hold us back. We are MIT students, and we are ready to make the sacrifices necessary to achieve our goals.

Sincerely,
