CAREER OPPORTUNITIES

ATEX is a fast-growing company founded to apply technology to solve special problems in the graphic arts and publishing industry. In eight years, our PDP T1/34 systems have become benchmarks in the newspaper, magazine and commercial printing markets. This success is a result of a team effort by people who are the best in their professions. We are looking for people who will become major contributors in the development of our future products. We are looking for individuals who are seeking an opportunity to grow and develop in a technical environment that will reward demonstrated ability and offer continuing challenges.

If you are graduating in Electrical Engineering or Computer Science, we have growth opportunities in both Hardware and Software development.

Current Hardware projects involve state-of-the-art Winchester disk technology, micro-sequencer technology, micro-processor applications, and graphic display technology.

Current Software development is in the areas of remote processing and distributed processing applications, interactive graphics, communications processing and microprocessor based interfaces. Programming is in both assembly and higher level languages.

We are located in Bedford, Massachusetts, close to Rte. 128. Compensation at ATEX is considered above average in the area, and the benefits package includes company paid health/dental insurance, life insurance, long term disability coverage, paid tuition and ESOP (Employee Stock Ownership Plan).

Please explore these opportunities with us.
Our recruiter will be on campus
Friday, April 3, 1981.
Let's get together!
