**Lobby 7 Committee**

The Lobby 7 Committee is responsible for setting policy guidelines for the use of Lobby 7 and the display cases east of the lobby. Each year, the committee determines who to hire as Lobby 7 Coordinator. As necessary throughout the year, the committee consults with the Lobby 7 Coordinator on major questions of policy and precedent.

**Dining Advisory Board**

The charge to this committee is to provide a forum for addressing dining-related issues and to facilitate a greater degree of dialog and mutual support between those who provide food services and those who use them. It will allow for the MIT community to play a more significant role in the development and evaluation of campus-wide dining programs and services for the residential students and the community at large, including implementation of the recommendations from the dining review. The board will serve in an advisory capacity on operational and program decisions made by Housing and Food Service and the Office of the Dean for Student Affairs. The Board will also coordinate efforts to receive community feedback on menus, dining services, and facilities. The Board will report jointly to the Dean for Student Affairs and the Vice President for Operations.

**How to Obtain a Seat on an Undergraduate Committee**

This spring the Nominations Committee will be asking all students interested in the committees below to attend the hearings as scheduled. Any interested undergraduate is eligible to fill a seat on one or more of these committees. In the past there have been from no interested students per seat to as many as five or more. A few committees have had vacant seats for almost a year.

If you are interested in one of these committees please call the UA office (x5-2696) between 11am and 4pm to reserve time for an interview. There are also short information forms requested by NomComm that must be filled in and returned to the UA office no later than than 4pm on April 4. These will ask for preliminary information on which the interviews will be based.

At these hearings the Nominations Committee will first review the scheduled committee. Time commitments and length of the student term will be among the items discussed. After this, NomComm will interview all interested students at the hearing. Once the students have been placed in preferential order, the person in charge of the committee will be notified to contact the student when his or her term begins.
