Field hockey loses

By Eric R. Fleming

After a pair of season-opening wins, the women’s field hockey team was shut out this Friday and Saturday at Steinbrenner Stadium.

Friday, the Engineers were blanked at the hands of Colby, 4-0, while on Saturday, Bates handed MIT at 8-0 drubbing.

Saturday’s game saw the visitors control all phases of play, as the Tech offense could never get started. Evidence of the one-sided nature of the game could be found in the first half statistics. Bates had 17 shots and ten corners, while MIT could not muster one of either.

Bates scored what proved to be the winning goal at 1:36 of the first half, on a tip-in of a rebound. The second half began much as the first, with Bates finding the back of the net for a 5-0 count. The second half was no better, with Bates getting a 6-0 lead on a tip-in of a rebound.

The potent MIT offense came at the same rate it had in the first period, with the three nearest breaks falling on the Tech defense. The game grew very intense as the teams stood tied at 12-12, but the Engineers required the serve on a hard hit by sophomore Amy Smith. From there on the team maintained control, capturing the game 15-13.

The large trophy earned by the MIT squad was accompanied by a trophy for MIT’s Most Valuable Player in the tournament, senior setter Linda Plano.

Soccer wins in best effort yet
