Sailing — This past weekend, the men's cross country team hosted a meet with University of Lowell. In a close contest, the Engineers dropped the meet by a score of 25-32. The women's team was busy elsewhere at a multi-team meet at Franklin Park. The new team, coming in only its third meet, turned in a fine showing and finished in third place with 53 points, behind Tufts with 53, and Brandeis who won with a score of 23.

Crew — On Sunday, the MIT heavyweight crew traveled to Lowell for the Textile River Regatta on the Merrimack River. In the silver eights, or JV, event MIT's boat emerged victorious over the three mile course in 15:59.99, finishing over Boston University and Holy Cross.

In the Gold, or varsity, event, MIT came in second in 15:30.69 behind Boston University A at 15:20.60. The other crews in the event were: third place, BU (B); fourth place, University of Lowell; and fifth, Holy Cross.

Both boats rowed strongly in water that was occasionally quite rough. All of MIT's varsity crews will be rowing in the Head-of-the Charles on October 18.

Volleyball and Tennis — The women's tennis team beat Smith College on Saturday, two games to one. In the Greater Boston Championships held at Harvard this past weekend, the women's tennis team finished in 6th place overall.
