Students to vote for/against Queen

By Stephanie Pollack

As part of the voting for Homecoming Queen which begins this weekend, all students will have the opportunity to vote for or against the entire contest. According to Skip Bulter '82, Chairman of FinBoard, the compromise between opponents and proponents of the Homecoming Queen contest was reached at an open forum attended by approximately 100 students Tuesday evening. The compromise is a workable one, Bulter noted. "It takes into consideration the considerable work done by those who would like to have a Homecoming Queen and shows consideration to those who wouldn't like to have one at all."

FinBoard must meet Dec. deadline

By Tony Zamparuti

To meet the budget deadline of the Office of the Dean for Student Affairs (ODSA), the Undergraduate Association (UA) Finance Board (FinBoard) will submit in mid-December an estimate of their fiscal year 1983.

"We need as many details as possible in all budgets" by the mid-December date, noted Dean Sharon DeRubeis. "McBay, when the deadline decision was first made three weeks ago. The December date was "to make sure every part of the office should follow the same calendar," said McBay. FinBoard's budget for this year was set by the ODSA last January, before the board began compiling budget requests. "I talked to Dean McBay and we agreed on the Finance Board would meet the ODSA timetable," said Dave Perehomin, Chairman of FinBoard. FinBoard will begin compiling in February a detailed budget, based on approved activities for the fiscal year 1983, which begins July. 1982. As the budget process concludes, adjustments might be made in FinBoard budget requests, said Perehomin. The ODSA granted FinBoard an $12,000 supplement to this year's budget (fiscal year 1982) over the summer. "For now, we are allocating that [supplementary funding] as we would our unallocated resources," said Perehomin. The funds would be dispersed to departments throughout the school year based on their requests.
