Be Part of the Renaissance

The More You Learn, The More There is to Discover...

If you are the type of person who thrives on discovery and creativity in a variety of technical areas within electrical engineering and computer science, then Magnavox Data Systems has an opportunity for you.

We are a young, rapidly developing subsidiary of Magnavox with a reputation for technical excellence in the areas of software engineering, electronic systems design and implementation, hardware/software integration, and software development.

At our suburban Washington, D.C. facility we offer a professional working environment with individual offices, a comprehensive benefits package, and equal opportunity for all employees. We are seeking versatile professionals who would like to grow and discover with us while advancing the state of the art in technology.

We will be at the MIT Placement Office on November 2 and hope to see you then. If you cannot meet with us on this date or desire additional information, please contact Ms. Sharrell Merrall at the address below or call her collect at (703) 698-9250.
